Product Description:

Our UV Blocking Primer is specifically designed to protect your surfaces from fading, cracking, and peeling caused by prolonged exposure to the sun's harmful rays. Its unique formulation ensures that your surfaces are protected from the damaging effects of UV radiation, while also providing a smooth and even surface for your topcoat.

Our UV Primer is an ideal choice for those who are looking for an eco-friendly option that is low odor and cruelty-free. We are committed to providing our customers with products that are both effective and ethical, and our UV Resistant Primer is no exception.

The application of our UV Inhibiting Primer is made easy thanks to its specially designed formulation that is compatible with titanium plate material. Our primer can be applied with ease and precision, ensuring that your surfaces are protected from UV radiation while also providing a smooth and even surface for your topcoat.

Our Cruelty-Free UV Blocking Primer is perfect for a wide range of applications, including automotive, marine, and industrial. Its high-

quality formulation ensures that your surfaces are protected from the damaging effects of UV radiation, while also providing a durable and long-lasting coating that will stand up to even the harshest conditions.

Choose our UV Resistant Primer for superior protection against the sun's UV rays. Our UV Inhibiting Primer is the perfect choice for those who are looking for a high-quality, eco-friendly option that is both low odor and cruelty-free. Its specially designed formulation is compatible with titanium plate material, making application easy and precise. So why wait? Protect your surfaces today with our UV Blocking Primer!

Features:

Product Name: UV Primer
Formulation: Liquid
Smell: Low Odor
Application: Titanium Plate Material
Waterproof: Yes
Feature: Environment Friendly
UV Blocking Primer
Primer UV Protection
UV Blocking Primer

Technical Parameters:

Product Name	UV Base Coat
Formulation	Liquid
Smell	Low Odor
Waterproof	Yes
Color	Transparent
Application	Titanium Plate Material
Property	1000 MI
Feature	Environment Friendly
Cruelty-Free	Yes
UV Resistant Primer	Yes
UV Shielding Primer	Yes

Applications:

With a delivery time of just 7 days, the Tucai UV Primer is perfect for those who need a quick and efficient solution to protecting their surfaces. The primer has a low odor, making it ideal for use in enclosed spaces without any unpleasant smells.

The Tucai UV Primer has a property of 1000 mL, ensuring that you have enough primer to cover all your surfaces. The primer is transparent, making it ideal for use on any surface without affecting the underlying color or pattern.

One of the key features of the Tucai UV Primer is its waterproof property. This makes it perfect for use on surfaces that are exposed to water or moisture, ensuring that they remain protected from any damage. The primer is also cruelty-free, making it an ethical choice for those who care about animal welfare.

The Tucai UV Primer is versatile and can be used in a variety of applications and scenarios. Some of the product application occasions and scenarios for this product include:

- As a UV base coat for furniture and other wooden surfaces
- As a primer for concrete surfaces
- As a primer for metal surfaces
- As a primer for plastic surfaces
- As a primer for glass surfaces
- As a primer for ceramic surfaces

The Tucai UV Primer is an excellent choice for those looking for a high-quality primer that offers UV protection. Its waterproof property, low odor, and versatile application make it the perfect choice for a variety of scenarios and occasions.
